

SPECIAL NOTICES OF CHANGED TCA EVENTS DURING CORONA VIRUS EMERGENCY

Updated 3.23.20 PM

Many events that were previously scheduled by TCA and its divisions and chapters have been impacted by the current emergency. Listed below are those we have received information about. We are unable to edit previously issued calendars. Always contact the event sponsor with any questions or for subsequent changes!

The only way to have your information listed here is to email manager@traincollectors.org, listing the original date and location, whether canceled or postponed to a new specific date, and signed by an officer authorized to make this decision. These must be official TCA events. Please do not use this address for other purposes. Since we may not be able to list all such changes, please assume that normal meets and activities have been affected.
